Session VII Round Table 10.00-13.00

Virtual Components of the Workshop

Session I: Monday 4 May, 2026, 17.00-19.00 (Central European time+1 Eastern European Time).

Session I will introduce students to the workshop topic. Its aim is to explain the scientific objective of the workshop and to inform students about the organization and program of the workshop. During the workshop the participating students (seven from each university) will be divided into transnational working groups and will actively participate in the individual workshop sessions as groups. The teaching staff will also explain the assessment process and the material distributed.

Session II: Friday 12 June, 2026, 17.00-19.00 (Central European time +1 Eastern European Time).

Session II will assess the experience of students at the seminar, their participation and contribution to discussion. It will be dedicated to the workshop's findings as they had been formulated in the individual sessions. Teachers and students will discuss what is the imprint of the intensive interaction of students of all four universities.
